Education

University of Washington
Master of Human-Computer Interaction + Design
Class of 2021

California Polytechnic State University, San Luis Obispo
Bachelor of Science in Psychology
Industrial Technology minor
Honors: *summa cum laude* (GPA: 3.95) & Academic Excellence Award
Class of 2020

Experience

UX/UI Design Intern, Project Jupyter
Apr 2020 - Dec 2020
Led the research, design, and prototyping for the tabular data editor extension project.
Created personas, user journeys, user stories, user flows, and heuristic evaluations.
Collaborated with developers and worked on the front-end of the extension.

Research Assistant & Web Developer, IDEAL Lab
Sep 2019 - Sep 2020
Designed and built the IDEAL lab website using HTML, CSS, and JavaScript.
Synthesized and presented data from empirical studies.

UX Researcher, Everything Food
Mar 2020 - Jun 2020
Developed and executed usability tests through platforms like UserTesting and TryMyUI.
Documented and presented actionable product research findings to stakeholders.
Created high-fidelity prototypes using Figma and InVision.
Engaged in agile development and used Jira for managing workflows.

Events and Experience Organizer, Camp Poly Hacks
Apr 2019 - Apr 2020
Collaborated with a multidisciplinary team on organizing a hackathon dedicated to fostering
innovation through human-centered design. Conducted participant interviews and surveys.
